#### 13. Gas Infrastructure Development Cess

The Honourable Supreme Court of Pakistan on August 13, 2020 decided the Gas Infrastructure Development Cess (GIDC) case and held that the levy of GIDC under the GIDC Act 2015 is constitutional. The Apex Court further stated that all industrial and commercial entities which consume natural gas pass on the burden to their customers, have to pay the GID Cess that become due upto 31 July 2020 w.e.f 2011.

Subsequently to the Order passed by the Apex Court, the SSGC issued GIDC bill of Rs. 5.78 million being the first installment of total GIDC arrears of Rs. 138.68 million which are to be recovered in forty eight monthly installments.

The above demand of the SSGC was not acknowledged as liability by the Company as the company had not passed the burden to their customers/clients. The Company filed an appeal before the Honourable High Court of Sindh on the ground that no burden of GIDC had been passed to its customers/clients and thus the Company is not liable to pay GIDC under GIDC Act 2015.

The Court was pleased to grant stay vide order dated September 22, 2020 against the demand raised by the SSGC and restrained to take any coercive action.

However, as a matter of abundant caution and without prejudice to the suit filed, the Company had made aggregate provision of Rs. 138.68 million for GID Cess in the financial statements for the year ended 30 September 2020.

In January 2021, the Institute of Chartered Accountants of Pakistan (ICAP), issued Technical Release (TR) on accounting of Gas Infrastructure Development Cess (GIDC). According to the TR, the provision of GIDC is to be re-measured on present value basis. The provision of GIDC of Rs. 138.68 million accounted for in Sep 30, 2020 was re-measured at the present value which works out to Rs. 117.33 million (including current maturity of Rs. 33.31 million) as shown below resulting in re-measurement gain on discounting of GIDC of Rs. 21.35 million which has been shown in the profit or loss statement under the head other Income.

The rate of mark-up charged during the period was 3% (September 2020: 0.50% to 15.35%) per annum.

## 16. Contingencies and commitments

### 16.1 Contingencies

The Company was selected for audit by tax authorities under section 177 of the Income Tax Ordinance, 2001 for five years (i.e., tax years 2015 to 2019). A detailed audit of Company's tax affairs was carried out by tax authorities and consequent to the audit, during the month of June 2021. The tax authorities passed assessment orders in terms of Section 122(1) of the Ordinance for the above five years whereby unlawful and arbitrary tax demands aggregating to Rs. 12.44 billion was raised by making additions/disallowances under various heads.

The additions/disallowances were generally of arbitrary nature, illegal and without basis. Similar approach was adopted while framing the assessment orders of other sugar mills in the province of Sindh.

Appeals have been filed by the Company before the Commissioner Inland Revenue (Appeals) against the above assessment orders but no order has yet been passed. The Company also filed Constitutional petitions before the honorable High Court of Sindh for stay against the recovery of tax demands. The stay has been granted against the recovery of tax demands by the High Court of Sindh vide order dated June 28, 2021 for tax years 2015, 2016 and 2017. Against the remaining assessment orders for the tax years 2018 and 2019, the Company's tax advisor will file the Constitutional Petitions before the honorable High Court of Sindh within the permissible time.

Consequent to the above assessment orders, the Company also received the notices on account of penalty for tax years 2015, 2016 and 2017 aggregating to Rs. 5.86 billion. The Company has also obtained stay against the above penalty against the show cause notices from the High Court of Sindh vide orders dated July 7, 2021.

The legal counsel of the Company is of the view that the above assessments have been framed on frivolous and flimsy grounds without any merit. The Company, therefore, based on the advice of the legal counsel, has not made any provision in these financial statements in respect of the impugned assessment orders and penalty notices.

### 16.2 Commitments

The Company has provided counter guarantees to Bank AL Habib Limited, a related party, amounting to Rs.400.00 (September 30, 2020: Rs. 400.00) million against agriculture finance facilities to the growers supplying sugarcane to the mills and counter guarantees to other banks amounting to Rs.1,086.69 (September 30, 2020: Rs.588.71) million against guarantees issued by banks in favour of third parties on behalf of the Company. These guarantees are secured by way of registered charge against hypothecation of stores and spares, stock-in-trade, assignment of trade debts and other receivables.

### 16.3 Commitments for capital expenditure amounting to Rs.81.13 (September 2020: 32.27) million.

#### 13. Gas Infrastructure Development Cess

The Honourable Supreme Court of Pakistan on August 13, 2020 decided the Gas Infrastructure Development Cess (GIDC) case and held that the levy of GIDC under the GIDC Act 2015 is constitutional. The Apex Court further stated that all industrial and commercial entities which consume natural gas pass on the burden to their customers, have to pay the GID Cess that become due upto 31 July 2020 w.e.f 2011.

Subsequently to the Order passed by the Apex Court, the SSGC issued GIDC bill of Rs. 5.78 million being the first installment of total GIDC arrears of Rs. 138.68 million which are to be recovered in forty eight monthly installments.

The above demand of the SSGC was not acknowledged as liability by the Company as the company had not passed the burden to their customers/clients. The Company filed an appeal before the Honourable High Court of Sindh on the ground that no burden of GIDC had been passed to its customers/clients and thus the Company is not liable to pay GIDC under GIDC Act 2015.

The Court was pleased to grant stay vide order dated September 22, 2020 against the demand raised by the SSGC and restrained to take any coercive action.

However, as a matter of abundant caution and without prejudice to the suit filed, the Company had made aggregate provision of Rs. 138.68 million for GID Cess in the financial statements for the year ended 30 September 2020.

In January 2021, the Institute of Chartered Accountants of Pakistan (ICAP), issued Technical Release (TR) on accounting of Gas Infrastructure Development Cess (GIDC). According to the TR, the provision of GIDC is to be re-measured on present value basis. The provision of GIDC of Rs. 138.68 million accounted for in Sep 30, 2020 was re-measured at the present value which works out to Rs. 116.58 million (including current maturity of Rs. 33.31 million) as shown below resulting in re-measurement gain on discounting of GIDC of Rs. 21.35 million which has been shown in the profit or loss statement under the head other Income.

The rate of mark-up charged during the period was 3% (September 2020: 0.50% to 15.35%) per annum.

## 16. Contingencies and commitments

### 16.1 Contingencies

The Company was selected for audit by tax authorities under section 177 of the Income Tax Ordinance, 2001 for five years (i.e., tax years 2015 to 2019). A detailed audit of Company's tax affairs was carried out by tax authorities and consequent to the audit, during the month of June 2021. The tax authorities passed assessment orders in terms of Section 122(1) of the Ordinance for the above five years whereby unlawful and arbitrary tax demands aggregating to Rs. 12.44 billion was raised by making additions/disallowances under various heads.

The additions/disallowances were generally of arbitrary nature, illegal and without basis. Similar approach was adopted while framing the assessment orders of other sugar mills in the province of Sindh.

Appeals have been filed by the Company before the Commissioner Inland Revenue (Appeals) against the above assessment orders but no order has yet been passed. The Company also filed Constitutional petitions before the honorable High Court of Sindh for stay against the recovery of tax demands. The stay has been granted against the recovery of tax demands by the High Court of Sindh vide order dated June 28, 2021 for tax years 2015, 2016 and 2017. Against the remaining assessment orders for the tax years 2018 and 2019, the Company's tax advisor will file the Constitutional Petitions before the honorable High Court of Sindh within the permissible time.

Consequent to the above assessment orders, the Company also received the notices on account of penalty for tax years 2015, 2016 and 2017 aggregating to Rs. 5.86 billion. The Company has also obtained stay against the above penalty against the show cause notices from the High Court of Sindh vide orders dated July 7, 2021.

The legal counsel of the Company is of the view that the above assessments have been framed on frivolous and flimsy grounds without any merit. The Company, therefore, based on the advice of the legal counsel, has not made any provision in these financial statements in respect of the impugned assessment orders and penalty notices.

**16.2** There were no major changes in the status of other contingencies as reported in the annual financial statements for the year ended September 30, 2020.

### 16.3 Commitments

The Company has provided counter guarantees to Bank AL Habib Limited, a related party, amounting to Rs.400.00 (September 30, 2020: Rs. 400.00) million against agriculture finance facilities to the growers supplying sugarcane to the mills and counter guarantees to other banks amounting to Rs.1,086.69 (September 30, 2020: Rs.588.71) million against guarantees issued by banks in favour of third parties on behalf of the Company. These guarantees are secured by way of registered charge against hypothecation of stores and spares, stock-in-trade, assignment of trade debts and other receivables.

**16.4** Commitments for capital expenditure amounting to Rs. 81.13 (September 2020: 32.27) million.
